Re: Request for article and ballot question

I am requesting that the following language be placed on the warrant for the annual town meeting and that the question be placed on printed ballots to be used at such meeting or election. The cost of the printing of the ballot and other associated costs related to the ballot will be paid for from the Regional Planning Grant.

Shall the town accept the provisions of sections sixteen to sixteen I, inclusive, of chapter seventy-one of the General Laws providing for the establishment of a regional school district, together with the towns of Holland, and Wales, and for the maintenance and operation of a regional school by said district in accordance with the provisions of a proposed agreement filed with the selectmen?
