

Topics: BC, BCE, Ancient Latin Civilizations, Upper & Lower Paleolithic, Weather Terms, Maps & Population data, map Making & Urban Environmental & Population data, Maps & Atlases and Climate **Note:** The web sites collected below are for intended for teacher preparation, web sites should NOT be given out to students until the teachers have closely examined the content. Web Sites change often and nothing should be taken for granted. The highest percentages of web sites are from universities and historical web sites. Also included are web sites at lower grade levels so that the teachers will have ideas on how to address some of our most diverse learners. Also included are sites on literature, art, music of the period as well as plays and costumes; sites such as these breathe life into learning and help engage student interest.
