The Tantasqua Academic

Summer School offers review courses in most subject areas. Review courses allow students to make up credit not earned during the regular school year. A full course is reviewed in 24 days. The administration reserves the right to make changes in courses and instruction as may be necessary, or to withdraw a course if insufficient numbers of students enroll. Students from outside the Tantasqua Regional School District will not be accepted unless recommended by the Principal or Guidance Director of their sending-school. They may enroll in grades 7 and 8 only. All students must pre-pay to attend summer school. Students should check with their teachers or guidance counselors to see if they are eligible to make up a particular course in the summer program. Transportation **will not** be furnished by the school.

REVIEW COURSES:

- English 7-8
- General Math
- Introduction to Algebra
- Algebra I
- Social Studies 7-8
- General Science 7-8
